## A Reputed Restaurateur Of Ahmedabad Now Comes To Polo

In this age of specialization it is a difficult proposition to find all capabilities within a single entity. It is true for hospitality segment as well. If we look at reputed brands, we will find organisations who have expertise in running luxury brands, there are others who are good in low cost brands and yet others who are specialized in outdoor catering.

Polo Club has now tied up with a reputed Respite Hotels Pvt. Ltd. (Gopi Group of Ahmedabad) that has expertise in running luxury hotel to small tea stalls, outdoor catering and managing large in-house corporate catering.

They have started serving you in Gallops from **14<sup>th</sup> October** and are also catering banquet parties of our members in Polo club. In this short period they have made their mark and have become popular among our members. They are here to stay to cater you.

With passage of time they will understand you better to serve you better.
